

Radians Polarized Cobalt™

Polarized lenses provide superior glare control for bright outdoor conditions

- Polarized lenses ease glare for bright outdoor conditions
- Blocks 99.9% of the sun's harmful UV rays
- Lightweight design offers an extremely comfortable fit
- ANSI Z87.1-2003 compliant
- Available in our popular Revelation and cool Cobalt glasses

All of Radians glasses are produced in ISO Certified facilities. They meet or exceed ANSI Z87.1 + standards and many styles have also been evaluated to Canadian Standards.
